What am I?

I am small.

I am often held but never touched.

I am always wet but never rust.

I can bring poison and death.

I can bring healing and life.

Things flow out of me, sometimes against my will.

I cannot be tamed by just anyone.

Although small, I can cause a lot of damage.

A white "gate" usually surrounds me unless I am very old or very young.

What am I with the letter "T"?
